NORTH HOCKEY ASSOCIATION PRESIDENT'S MESSAGE

Welcome to the new season. When I was compiling my message last year, we had not had the Olympic Games. The whole hockey nation was hoping for success and the girls achieved that in style by bringing back gold. Congratulation to them, and to the boys who recently finished third in the World league semi-finals. Now that Hockey is getting the success it needs, lets cash in and get more players into our Clubs. The best result for every Club is to get bigger and healthier, growth is good for all.

Round up of last season. Men's: Congratulations go to Leeds H.C. on finishing the season as Premier Division champions and being promoted to the North Conference of the MHL. Unfortunately, Oxtou were relegation from the MHL which meant that both Ben Rhydding and City of York were relegated from the Premier Division. Congratulation to Didsbury Northern and Durham University 2 who replaced them having won promotion from Division 1. Liverpool University and Alderley Edge 2 were relegated from Division 1. Congratulations to Stockton and Wilmslow, who won promotion from Division 2 East and West respectively. With Oxtou relegated from the MHL this season, the NHML meant that there was no automatic promotion place available for the winner of the Division 2 play-off. Congratulations to Leeds 2 who were promoted to play in Division 1 next season.

Women's: Congratulations to Fylde Hockey club on their promotion back to North Conference. University of Leeds step up into the Premier division together with Alderley Edge. Alderley Edge and Leeds Adel gained promotion to Division 1 in last season's play offs. Clubs in Division 1 will be joined by Pendle Forest, from Division 2 North West and Morpeth from Division 2 North East. We welcome Marton Furness, Triton from Cheshire, Manchester University, Fylde 2s, Northern 1, and Thirsk and Lindum and into Divisions 2.

Indoor. The North region qualifying rounds were held in Elland in December with Durham University Women and Deeside Ramblers men going on to the next round.

North U21 Tournament Winners were Lancashire Central and the Runners Up were Lancashire

Northern Counties Championship 2017. The tournament was held over the weekend of May 20/21 at Wakefield Hockey Centre. Six Counties took part, these were Cumbria, Cheshire, Durham, Isle of Man, Lancashire and Yorkshire. Congratulation to Yorkshire on winning with Lancashire runner up. The Isle of Man had their most successful tournament ever gaining third place with 7 points. Cheshire gained 4 points and Cumbria and Durham 3 each.

Men's Senior County Championships the "Pool" games were held over the weekend of 6/7 May, with semi-finals and finals played on 21 May at Nottingham. Yorkshire progressing to the A Division semi-finals on 20 May. Congratulations to Yorkshire who went on to retain their County Championship title by defeating Kent 8-4 in the final. This was their third national title in four years. Northumberland competed in the B Division pool at Nottingham, whilst Cumbria and Isle of Man competed in the C Division pool in Portsmouth. Congratulation to the Isle of Man winning all 6 games and gaining promotion to Division B for next season. Masters. Congratulations to both the Men's and Women's over 45 who won the respective regional tournaments. The number of people playing Masters Hockey has increased and there are regular tournaments for all age groups.

When you see how busy last season was and how busy every season is becoming, we must take time to say Thank you to all our coaches and managers who put in so much time with their Clubs to help them progress. I would like to say Thank you to all the umpires who turn out week after week for the North and to NHUA who appoint, coach and assess them. Hockey needs umpires at every level of games, look after them. We don't move forward by standing still, let us all capitalise on Olympic gold and move forward together building a bigger stronger North in all competitions. Let's look forward to the new season and make it a good one.

Good luck to all.

Chris Regan

NOTICE TO ALL CLUBS PLAYING UNDER THE JURISDICTION OF THE NORTH HOCKEY ASSOCIATION

The Rules which follow under the sections for NHML/NHWL are intended to provide

- a framework to guide the respective League Committee in its operation of the League.
- regulations for the conduct of games and the administration obligations required of its clubs, and
- the methods to be used in awarding league points and determining promotion and relegations issues.

Each club is expected to conduct itself with integrity, to help promote the good name of the league, and to fulfil its administrative obligations in an efficient and timely way. If it fails to meet these conditions or takes any action with the intention of gaining an unfair advantage or of unfairly disadvantaging another team then it is deemed to be in breach of the league regulations whether or not the specific offence is listed in the rules of the league. In these circumstances, it should be expected the league to impose an appropriate penalty.

For its part the league is expected to conduct its affairs efficiently, fairly, with consistency. It may exercise its discretion in applying the rules in particular circumstances and when not providing for matters not specifically listed in the rules. In imposing penalties, it will consider each offence on its merits and is expected to impose a penalty appropriate to the specific offence.

Clubs are expected to abide by the following:

- England Hockey Disciplinary Code. Full details of the Disciplinary Code of Conduct can be found on the England Hockey Web-site. Umpires are expected to be fully conversant with the Code of Conduct and have copies of the Red Card Report Form available whenever they umpire games.
- Duties of Match Delegates. These are reproduced later in this handbook.

Match Regulations

18 Matches

18.1 All matches shall be played in accordance with the Rules of Hockey as laid down by the NGB.

18.2 All matches must be played on artificial pitches of an acceptable standard, and there must be adequate changing facilities available.

18.7 Each team must have a minimum of 7 players on the pitch before the match can commence.

19 Postponement / Bad Weather Arrangements

19.1 Postponement of matches shall occur only in the event of adverse weather conditions or ground conditions (or non-arrival of the appointed umpire). In exceptional circumstances, the committee may grant a postponement and shall normally require clubs to submit their reasons for postponement in writing to the league secretary and divisional co-ordinator at least eight days before the date of the match. Exceptional means the unplanned events that do occasionally happen. The committee will expect to see that at least 3 players are unavailable because of a commitment to an NHA or NGB representative game. This does not include Masters, Mixed, Veterans or Vintage Hockey, or social events.

19.2 In the case of bad weather, the home team should follow the following procedure. The home liaison officer or captain should ascertain the visiting team's departure time from its home base; if relevant this will take into account any planned overnight stay. The home liaison officer or captain must inspect the pitch before this departure time. A realistic view must be taken at this stage including travel conditions. Enquiries should be made of any local meteorological office to confirm weather conditions for the next 24 or 48 hours. If the pitch is unfit and is likely to remain so the game should be postponed and the travelling team and umpires informed before their departure times. This must be done by an answered phone call or a email with a confirmation of receipt.

19.3 Fitness of weather or ground conditions shall be decided as follows: Up to one hour before the designated starting time of the match by the captain of the first named team who must inform the opposition, the umpires, the divisional coordinator and the umpires appointment coordinator. After that time the umpires shall decide.

19.4 An away team must agree to a match being postponed. In the event of the home team wishing to postpone a match the away team shall have the right to inspect the ground prior to a decision regarding postponement being reached. In the event of the away team exercising this right it shall be responsible for its own costs, any umpiring costs and any costs incurred by the home team as a result of any delay in the postponement.

19.5 The home club must e-mail or text the reason for the postponement of a fixture to the league secretary and the divisional co-ordinator by 8pm on the day of the postponed match. There will be a standard level fine levied for any breach of Rule 19.5.

20 Match Rearrangement

20.1 A postponed fixture should be replayed within 15 days. Within 7 days of the postponement the clubs must either fix a date for the rescheduled fixture or agree to submit the decision to the league secretary and divisional co-ordinator. Both clubs must report the outcome by e-mail within 24 hours of agreement to the league secretary and the umpires co-ordinator. A club not reporting will have 1 point deducted.

20.2 If, on the day scheduled for a re-arranged fixture, the home team's pitch is unfit, the away team shall be entitled, if it has a pitch available and fit for play, to require the 'home' team to travel and play the fixture on its ground, provided that the umpires and other team can make suitable arrangements for travel or for their replacement.

20.3 In the event of a dispute over fixture dates between clubs, the league secretary or divisional co-ordinator may designate the venue and the date on which a fixture shall be played.

21 Abandonment

In the event of a match having to be abandoned as a result of serious injury to a player or of adverse weather conditions, a report shall be submitted by the umpires to the league secretary and divisional co-ordinator by email. The league committee shall decide on the action to be taken. Such a decision may necessitate a replay of the fixture depending on the circumstances at the time of the abandonment. In the event of a replay the new date shall be arranged by the clubs in accordance with Rule 20.

22 Match Delegates

See Appendix 1 (Men's League).

23 Team Sheets

Each club shall complete a team sheet and hand it to the match delegate or umpires 20 minutes prior to the start time of the match. The match delegate, if there is one, shall show these team sheets to the umpires before the beginning of the match. The delegate or, if no delegate, a member of the home team shall record the match details on the match sheet and after the match arrange for this card to be signed, returning it and the team sheets to the home club's team representative who shall communicate the result to the phone number listed on the match sheet within 60 minutes of the end of the match. The documents must be sent to the divisional co-ordinator who must receive them by the following Wednesday. The home club must retain a copy of the match sheets. There will be a standard level fine levied for any breach of Rule 23.

24 Failure to fulfil fixtures

If a team fails to fulfil its league fixture(s) the committee shall have the power to make an appropriate ruling. (See also Appendix 1 (Men's League) and Appendix 2 (Women's League). The offending team shall meet any reasonable expenses incurred by its opponents including pitch costs. If a club fails to fulfil a season's fixtures any penalty may be applied the following season. Any club failing to honour fixtures three times in any one season shall be expelled from the NHL for the following season and may only qualify for re-entry by promotion from a league in the NHA area.

25 League order, promotion and relegation

See Appendix 1 (Men's League) and Appendix 2 (Women's League)

Three points will be awarded for a win and one for a draw in all league matches. In the event of teams being level on points, placings shall be decided on the combined results of the matches played between the teams and then, if unresolved, by the combined results with away goals counting double. If still undecided, positions shall be decided on superior goal differences. In the event of the goal difference being the same for two or more teams, the order shall be determined by ranking the teams, in descending order, by the 'goals for' totals. Beyond that, but only in the case of promotion, relegation, or qualification for some other tournament, play-offs shall take place.

Any 2nd XI or 3rd teams which need to be relegated as a result of Rule 3.4, any teams which resign and any teams which the league committee may decide to expel or relegate shall be deemed to fill the last positions in their divisions. At the end of the season the number of promotion places available shall depend on promotion and relegation to and from the EHL, and between the leagues. Play-offs may be necessary. Qualifying clubs shall be invited to be promoted or to take part in play-offs for promotion. In the event of a club declining the invitation the next placed team in the division concerned shall receive the invitation.

Promotion and relegation shall be as follows

Premier division

The highest placed 1st team will be promoted to the EHL.

If no teams are relegated from the EHL the bottom team will be relegated.

If 1 team is relegated from the EHL the bottom 2 teams will be relegated.

If 2 teams are relegated from the EHL the bottom 3 teams will be relegated.

Division 1

The top 2 teams will be promoted.

If no teams are relegated from the EHL the bottom 2 teams will be relegated and the two teams finishing second in Division 2 will play off for the spare place in Division 1.

If 1 team is relegated from the EHL the bottom 2 teams will be relegated and the third bottom team will enter a play off with the two teams finishing second in Division 2 for the final place in the division for the following season.

If 2 teams are relegated from the EHL the bottom 3 teams will be relegated.

Division 2 East & West

The champions of these divisions will be promoted.

The runners up in each division enter a one match play off under EHB Cup Rules for one promotion place with the winner playing the 3rd bottom from Division 1 if 1 team is relegated from EHL. (No promotion place will be available if 2 teams are relegated from EHL)

The bottom 2 teams of each division shall be relegated. Further teams may be relegated to provide two automatic promotion places to the Regional leagues below each 2nd Division provided that no more than four teams (east) and three teams (west) need to be relegated to provide these places. Beyond that only the regional champions may be eligible for promotion, but where more than four teams would need to be relegated to provide 2 places (East) and 1 place (West) a play off shall be arranged between the regional champion(s) and any additional teams, above the bottom four, which would need to be relegated to provide the place(s).

Appendix 2 - Women's league

Rule 3 Structure

The league shall consist of two divisions of twelve teams, a Premier Division and a Division 1 plus four Division 2s of ten or 12 teams each - Division 2 North East, Division 2 South East, Division 2 North West and Division 2 South West each team playing every other on a home and away basis.

Rule 13 Registration

By 16th September annually, each club shall submit, by email to the divisional co-ordinator, a list showing full names, in alphabetical order, of its members eligible to play in the league. Amendments (including change of name) must be received by the divisional coordinator by the Wednesday prior to the Wednesday concerned playing in a league match. No new registrations shall be permitted after 1st February in any season. However, goalkeepers are the exception to this time limit provided that it is a new registration due to a medical or physical incapacity of the club's existing registered goalkeepers and not a transfer. Evidence of such incapacity should be provided in writing by the club who, by submitting any registration, shall assume responsibility for any incorrect or false information provided in support of this registration. This list shall be in the form of a 1997 compatible Excel Spreadsheet. There will be a higher level fine levied for any breach of Rule 13.

Rule 22 Match Delegates

This applies to premier and Division 1 teams only. The home club shall appoint a responsible person to act as match delegate. Match delegates should read the pages at the back of the NHA Handbook which set out their duties. And be ready to act as Match Officials Rule.

24 Failure to fulfil a fixture

If a team fails to fulfil a fixture there will be a three point penalty.

Rule 25 League order, promotion and relegation

Three points will be awarded for a win and one point for a draw in all league matches. In the event of teams being level on points at the end of the season, places shall be determined by consideration of the following in order:

1. Goal difference
2. Highest number of goals for
3. Result of games between the teams concerned
4. Play off(s)

Generally, the champions of each division or league will be promoted and the lowest team relegated.

Premier Division

The highest placed 1st XI in the North Premier Division shall be promoted to the EHL. North teams relegated from the EHL shall rejoin the NHWL Premier Division. The number of teams to be relegated to Division One will depend on the number of teams relegated from EHL. Provided that no more than one team is relegated from the EHL, the second placed team in Division One shall be promoted to the Premier Division. In this case, the bottom two teams shall be relegated from the Premier Division.

Division 1

The team or teams relegated from the Premier Division shall be joined by the two highest placed teams of a play-off between the top team from each Division 2. After ensuring that the Division has twelve teams, the surplus number of teams shall be relegated to their respective Division 2 for the following season.

Division 2

There shall be four Division 2s made up from teams in the following feeder leagues:

Division 2 North East - Durham and Northumberland

Division 2 South East - Yorkshire

Division 2 North West - Cumbria, Lancashire and Lancashire Central.

Division 2 South West - Cheshire and Greater Manchester

When promotions to and demotions from Division 1 have taken place the winners of each feeder league and 2nd placed team in the Yorkshire league will be promoted to their respective Division 2. The Division 2 teams finishing 2nd place downwards will fill the remaining places until there is a maximum of 10/12 teams in each Division 2. Teams below that position will be relegated to their original feeder league. If a feeder league winner does not wish to take up the place in the Division 2, then that feeder league should find a suitable replacement from clubs in their feeder league. If this is not possible, then one less team will be relegated from the respective Division 2. Clubs are not allowed to represent two or more different feeder leagues.

The county association must inform the NHL of the named club by May 1st

TRAVEL:

1. University of Chester, CH1 4BJ
Chester is linked directly to the national motorway system via the M53. London and all the major regions of the UK are easily accessible from the city.

The campus is situated along Parkgate Road (A540), which is a continuation of Northgate Street leading out from the city centre. Access to the main car park is by the Exton Park entrance
<http://www.chester.ac.uk/find-us>

2. The Cheshire - County Sports Club, CH2 4EU
<http://cheshirecountysports.co.uk/contact/>

Parking is available at the pavilion, please use the following directions:

FROM THE MOTORWAY

Take M56 & then M53 to Chester exit at Junction 12. Turn right following signs for City Centre to the next large roundabout (situated next to a DoubleTree Hotel and Spa). Take 3rd exit at this roundabout right for Upton. In

less than half a mile (almost immediately), you will see a white sign the Outdoor Sports facilities on the right. Take this first right hand turn – crossing the dual carriageway, onto Mannings Lane. Take your first left into the sports facilities and follow the road to either the left or right, which will lead to you the car park and the pavilion.

If you reach a yellow metal footbridge after having taken the 3rd exit from the roundabout, which crosses the road from the clubhouse to the pitches, you have come too far. There is the option of turning left just before the footbridge into Plas Newton Lane and immediately right into the club. You can park here and use the footbridge to gain access to the astro pitches.

FROM THE A41

Pass Chester Zoo and after approx. 1.5 miles you will go under a yellow metal footbridge. You want to take the next left onto Mannings Lane. Then turn left into the sports facilities and follow the road to either the left or right, which will lead to you the car park.

THE DUTIES OF TECHNICAL/MATCH DELEGATES

MATCHES PLAYED UNDER THE JURISDICTION OF NHA

Your attention is drawn to the following official guidance for Technical Delegates (**TDs**) and (**MDs**)

- The general bench area is the area between the two 22 metre lines alongside one of the touchlines. Each team's own bench area is that between the halfway line and the nearer 22 metre line.
- In addition to the TD, only players and team officials listed on the team sheet are allowed in the bench area during the game.
- Team officials may not leave their bench area during the game except for half time team talks, to deal with injuries, or to escort a player from the playing field.
- Ideally seating should be provided with a sensible distance separating the teams.
- Substitutes should remain within their bench area during the game except for half time team talks.
- Where possible, the bench area should be on the touchline that is furthest from the entrance to the playing area. Organised in this way, spectators are more likely to head for the nearer, unused touchline.
- Always refer to any more specific rules and regulations for individual competitions for instructions regarding *TDs/MDs*

1. **General**

Delegates are responsible for ensuring that the regulations of the NHA competitions are carried out. It is important that the delegates are conversant with the relevant rules and playing regulations for any matches that they are appointed to.

2. **Prior to the match**

- I. Delegates should arrive at the ground at least one hour before the scheduled start, or earlier if there is likely to be any doubt regarding the fitness of the pitch.
- II. Delegates should make themselves known to the umpires, team managers and captains.
- III. Delegates should check the playing area, the goals, nets, corner flags, team benches, pitch markings, technical table and sin bin chairs/area, and ensure

that the home team carries out any repair work necessary. Ensure pitch surrounds/run-off are clear from obstruction.

- IV. If there is a doubt about the fitness of the pitch, the delegate, in consultation with the umpires and team officials, makes the final decision as to whether or not it is fit to play. (Once play has started it is the responsibility of the umpires to decide if a pitch is fit for play to continue.)
- V. Delegates should obtain teamsheets.
- VI. If one or both umpires fail to arrive, the delegate should take necessary action following the rules of the competition.
- VII. The delegate should confirm with the umpires who will be responsible for timing any suspensions and returning players to the pitch at the end of their suspension.

3. **During the Match**

Delegates should remain in the vicinity of the team benches.

- I. It is the responsibility of the home club to steward any spectators, and delegates should ensure that this is done. It is beneficial if the team benches are on the other side of the pitch to spectators, unless there is a fence separating the spectators from the benches.
- II. Delegates should ensure that only those persons entered on the teamsheets occupy the team benches and stay in the vicinity of their bench. Warming up by players should take place between the team bench and the nearest corner flag.
- III. Delegates should record on the match sheet the starting XI of each side, with GK and Captain marked, the first time on to the pitch for each substitute, the goals, and cards given, and the full-time result.
- IV. Delegates should supervise the rolling substitutions in accordance with the Rules of Hockey.
- V. If a player is given a green card (2 minute suspension) or a yellow card (minimum 5 minute suspension), delegates must ensure that the player remains in the designated place (by the centre line) for the duration of the suspension. Team officials may not converse with the suspended player, who should remain quiet. The umpire, or delegate, as previously agreed, will signal when the player may go back on to the pitch.
- VI. The delegate should ensure that any player given a red card is escorted out of the playing area.

North Hockey League - Match Officials Checklist

4. After the Match

- I. The delegate should ensure that players do not approach the umpires in an aggressive manner.
- II. The delegate must ensure that all relevant personnel sign the match sheet immediately after the game.
- III. The delegate should enter any comments on the match report.
- IV. The complete match report and teamsheets should be returned to the home club's team representative without delay.

5. Delegates match pack
