

For over 20 years Whitley Bay and Tynemouth Women's 1<sup>st</sup> team competed in the England Hockey League, followed by the last two seasons in North Premier League, finishing in second spot both times.

As a club we know we want to be back in the EHL, as a team we have enjoyed a couple of seasons winning most games comfortably with a few challenging games to keep us on our toes.

We are ready for change! Our long-time coach has retired, we will lose some key players this year, but we still have strength and talent throughout.

We are seeking to appoint a new, enthusiastic, ambitious coach who can shape this team in to league winners! We'd like to see someone who can challenge individuals to be better players, set them goals and push them to their limits, creating a team of players who have the desire to work harder than they've done before.

Must haves:

Time to commit to Tuesday or Thursday sessions and Saturday matches

Knowledge on how to set individual and team goals

Knowledge on fitness protocols and skill development within sessions

Desirables:

Coaching qualification at England Coach Level 2 or above

Current Child Protection Certificate scUK Safeguarding Young people (with in last 3 Years)

Undertake a DBS check

Experience using video analysis

Salary is negotiable depending on qualifications and experience. Opportunities may arise to coach with in other parts of the club if your time and commitments permit.

If you are interested, please send a compelling letter to Steve Troup (WBTHC Chair) along with your CV to [stevetroup@blueyonder.co.uk](mailto:stevetroup@blueyonder.co.uk)

If you're not sure you met the requirements please give Steve a ring on 07742545944

Closing date for applications : Friday 20<sup>th</sup> July
