NORTH HOCKEY ASSOCIATION PRESIDENT'S MESSAGE

Welcome to the new season and congratulations to Alderley Edge (Men's Premier League runners up) and Leeds (Women's League Champions) in gaining promotion to the North Conferences of the National League. Sadly Deeside Ramblers (Men's) together with Liverpool Sefton and Wakefield (Women's) were relegated from the National League. Congratulations are also due to: Men's Premier League winners Brooklands Manchester University 2nd, Lindum, City of York promoted from Division 1 and Doncaster 2 and Deeside Ramblers 2 promoted from Division 2. In the Women's League congratulations to Pendle Forest, Newcastle University promoted from Division 1 and Lancaster and Stokesley promoted from Division 2. IOM won the Women's Cock of the North Competition.

This new season sees our teams playing for entry to an expanded National League at the end of the season with 4 promotion places available to our teams in both the Men's and Women's structures. Also eligible 2nd XI's will be allowed to enter the National League Conferences. As there will be no relegation from the National League this will create great opportunities for teams throughout the structure in the North to achieve promotion. There will be no automatic relegation for teams in the North league although in Divisions 1 and 2 of the Men's League the bottom teams will have to justify retaining their league position.

North HA has recently set up a sub-committee to review the North League Structure, with the rationale of producing a structure that rewards success to develop our clubs, players, umpires and officials. Also Joint Gender league Management Committees. The aim is to implement the new League Structure and Management Committees for the start of the 2019-20 season, in parallel with the introduction of the new National League Structure.

England Hockey Awards 2018: Congratulations to:
Pendle Forest 1st XI - Investec Women's Team of the Year.
Judith Nicholson - Lifetime Achievement
Official of the Year - Lee Barron
Scarborough HC - Innovation
Bev Barstow - Vitality Hockey Maker of the Year

On the England Hockey front: Bowdon Hightown - on winning the Women's National indoor title for the 4th time in 10 years. Congratulation also to the following team's winners of EH Competitions: Men's Bebington 2nd's – Tier 4, Alderley Edge over40's, Ben Rhydding and Timperley over 50's, Women's Ramsey and Mixed Formby. Lancashire won Division C of the Men's County Championship.

Turning now to the coming season a major item for the North will be taking on board the principles put forward in the ongoing England Hockey Governance review consultations on ways we can improve Governance in our sport.

The NHUA and their members did a good service for us last season but there is a major need especially in the Women's game for new umpires so as to enable us to replace those we will lose in 12 months to the expanded National League. I trust all will be enjoyable and successful season.

NOTICE TO ALL CLUBS PLAYING UNDER THE JURISDICTION OF THE NORTH HOCKEY ASSOCIATION

The Rules which follow under the sections for NHML/NHWL are intended to provide

- a framework to guide the respective League Committee in its operation of the League.
- regulations for the conduct of games and the administration obligations required of its clubs, and
- the methods to be used in awarding league points and determining promotion and relegations issues.

Each club is expected to conduct itself with integrity, to help promote the good name of the league, and to fulfil its administrative obligations in an efficient and timely way. If it fails to meet these conditions or takes any action with the intention of gaining an unfair advantage or of unfairly disadvantaging another team then it is deemed to be in breach of the league regulations whether or not the specific offence is listed in the rules of the league. In these circumstances, it should be expected the league to impose an appropriate penalty.

For its part the league is expected to conduct its affairs efficiently, fairly, with consistency. It may exercise its discretion in applying the rules in particular circumstances and when not providing for matters not specifically listed in the rules. In imposing penalties, it will consider each offence on its merits and is expected to impose a penalty appropriate to the specific offence.

Clubs are expected to abide by the following:

- England Hockey Disciplinary Code. Full details of the Disciplinary Code of Conduct can be found on the England Hockey Web-site. Umpires are expected to be fully conversant with the Code of Conduct and have copies of the Red Card Report Form available whenever they umpire games.
- Duties of Match Delegates. These are reproduced later in this handbook.

In this case, the bottom two teams shall be relegated from the Premier Division.

Division 1

The team or teams relegated from the Premier Division shall be joined by the two highest placed teams of a play-off between the top team from each Division 2. After ensuring that the Division has twelve teams, the surplus number of teams shall be relegated to their respective Division 2 for the following season.

Division 2

There shall be four Division 2s made up from teams in the following feeder leagues:

Division 2 North East - Durham and Northumberland Division 2 South East - Yorkshire

Division 2 North West - Cumbria, Lancashire and Lancashire Central.

Division 2 South West - Cheshire and Greater Manchester

When promotions to and demotions from Division 1 have taken place the winners of each feeder league and 2nd placed team in the Yorkshire league will be promoted to their respective Division 2. The Division 2 teams finishing 2nd place downwards will fill the remaining places until there is a maximum of 10/12 teams in each Division 2. Teams below that position will be relegated to their original feeder league. If a feeder league winner does not wish to take up the place in the Division 2, then that feeder league should find a suitable replacement from clubs in their feeder league. If this is not possible, then one less team will be relegated from the respective Division 2. Clubs are not allowed to represent two or more different feeder leagues.

The county association must inform the NHL of the named club by May 1st

THE DUTIES OF TECHNICAL/MATCH DELEGATES

MATCHES PLAYED UNDER THE JURISDICTION OF NHA

Your attention is drawn to the following official guidance for Technical Delegates (**TDs**) and (**MDs**)

- The general bench area is the area between the two 22 metre lines alongside one of the touchlines. Each team's own bench area is that between the halfway line and the nearer 22 metre line.
- In addition to the TD, only players and team officials listed on the team sheet are allowed in the bench area during the game.
- Team officials may not leave their bench area during the game except for half time team talks, to deal with injuries, or to escort a player from the playing field.
- Ideally seating should be provided with a sensible distance separating the teams.
- Substitutes should remain within their bench area during the game except for half time team talks.
- Where possible, the bench area should be on the touchline that is furthest from the entrance to the playing area. Organised in this way, spectators are more likely to head for the nearer, unused touchline.
- Always refer to any more specific rules and regulations for individual competitions for instructions regarding **TDs/MDs**

1. General

Delegates are responsible for ensuring that the regulations of the NHA competitions are carried out. It is important that the delegates are conversant with the relevant rules and playing regulations for any matches that they are appointed to.

2. Prior to the match

- I. Delegates should arrive at the ground at least one hour before the scheduled start, or earlier if there is likely to be any doubt regarding the fitness of the pitch.
- II. Delegates should make themselves known to the umpires, team managers and captains.
- III. Delegates should check the playing area, the goals, nets, corner flags, team benches, pitch markings, technical table and sin bin chairs/area, and ensure

that the home team carries out any repair work necessary. Ensure pitch surrounds/run-off are clear from obstruction.

- IV. If there is a doubt about the fitness of the pitch, the delegate, in consultation with the umpires and team officials, makes the final decision as to whether or not it is fit to play. (Once play has started it is the responsibility of the umpires to decide if a pitch is fit for play to continue.)
- V. Delegates should obtain teamsheets.
- VI. If one or both umpires fail to arrive, the delegate should take necessary action following the rules of the competition.
- VII. The delegate should confirm with the umpires who will be responsible for timing any suspensions and returning players to the pitch at the end of their suspension.

3. During the Match

Delegates should remain in the vicinity of the team benches.

- I. It is the responsibility of the home club to steward any spectators and delegates should ensure that this is done. It is beneficial if the team benches are on the other side of the pitch to spectators, unless there is a fence separating the spectators from the benches.
- II. Delegates should ensure that only those persons entered on the teamsheets occupy the team benches and stay in the vicinity of their bench. Warming up by players should take place between the team bench and the nearest corner flag.
- III. Delegates should record on the match sheet the starting XI of each side, with GK and Captain marked, the first time on to the pitch for each substitute, the goals, and cards given, and the full-time result.
- IV. Delegates should supervise the rolling substitutions in accordance with the Rules of Hockey.
- V. If a player is given a green card (2 minute suspension) or a yellow card (minimum 5 minute suspension), delegates must ensure that the player remains in the designated place (by the centre line) for the duration of the suspension. Team officials may not converse with the suspended player, who should remain quiet. The umpire, or delegate, as previously agreed, will signal when the player may go back on to the pitch.
- VI. The delegate should ensure that any player given a red card is escorted out of the playing area.

4. After the Match

- I. The delegate should ensure that players do not approach the umpires in an aggressive manner.
- II. The delegate must ensure that all relevant personnel sign the match sheet immediately after the game.
- III. The delegate should enter any comments on the match report.
- IV. The complete match report and teamsheets should be returned to the home club's team representative without delay.

5. Delegates match pack

Delegates are advised to take the following items with them to matches:

NHA Guidance Notes for Pitchside Conduct

It is the responsibility of the clubs to ensure that good manner and courtesy prevails towards the opposition, umpires and other officials before, during and after the game.

Once the pitch is available, the Match Delegate (if appointed) or Home Captain shall assume authority for the pitch and its surrounding area.

Clubs are advised to ensure that they have adequate insurance cover and that they are aware of local health and safety regulations regarding the pitch and facilities.

Captains and/or Match Delegate (if appointed) should:

- Agree with the umpires the location of managers, coaches, substitutes and suspended players during their suspension and from where substitutions will take place.
- Satisfy themselves and the umpires as to the quality and safety of the pitch and its facilities and ensure that other pitch side furniture is removed to its safest location.
- Check the availability and location of an emergency telephone and first aid.
- Agree the location and allowed proximity of spectators.
- Ensure that substitutes should warm up in clothing in a colour other than the participating teams in the agreed area of the pitch side.
- Ensure that coaches and managers remain in their designated area.
- Ensure that vocal communication by team officials and players on the bench is not, in any way, directed at the umpires, *Match Delegate* or players of the opposing team.
- Ensure that players not taking part in the game, or those in subsequent or previous matches, do not knock up or cool down on or near the pitch whilst the match is in progress.
- Ensure that post match inquests are held away from the pitch.
- Spectators should be advised, if necessary, of matters relating to their conduct, especially insofar as this affects the game in progress. Spectators should be kept away from the bench areas at all times and, where possible, should watch from the opposite side of the pitch. The onus is on the home club to take responsibility for spectators and their behaviour.
- Ensure that small children are not allowed to wander freely around the perimeter of the pitch whilst a game is in progress. Children should remain under the control of their parent/guardian at all times.
- Ensure that babies in push chairs are not left parked on the side of the pitch.
- Captains, coaches and managers should be responsible for their own conduct and the conduct of their players at all times.

Contravention of these Guidance Notes should be included in any match report and umpires are urged to report any abuse of them to County League/Tournament officials.
